VIRTUAL SITE VISIT INFORMATION GUIDE FOR APPLICANTS

The NACEP Accreditation Commission acknowledges the critical role of site visits in the accreditation process. Virtual site visits offer an in-depth perspective on program activities, incorporating a wide range of voices and representations. They enable the Peer Review Team to delve deeper into questions or concerns that arise during the application review, ensuring a thorough and comprehensive evaluation.

VIRTUAL SITE VISIT PROTOCOL:

Timing & Scheduling:

- Virtual site visits occur January to no later than March 1.
- Programs may host a one-day or multi-day visit based on availability.
- The specific order of meetings is flexible, but the program staff must be met with at the beginning and end of the visit.
- Meeting durations should estimate 45 minutes.
- Schedule breaks (10-15 minutes) between each meeting for the Peer Review Team
- Include the time zone in the agenda.
- There is absolutely NO RECORDING permitted.

No Cost Requirement:

- There will be no costs associated with hosting NACEP for the virtual site visit.

Meeting Requirements:

- The Peer Review Teams must meet with all designated stakeholder groups.
- The meetings do not need to extend for the full scheduled time if the Peer Review Team feels that their expectations and questions have been adequately addressed.

Review the following information below regarding required stakeholder participation, frequently asked questions, and examples of questions for stakeholders.

PARTICIPATION OF REQUIRED STAKEHOLDERS:

The program will provide the names, title, and departments of participants in each meeting within the agenda.

1. **Program Staff** Those that manage the operations of the program.
2. **Institution Leadership** Those who oversee the concurrent enrollment program.
3. **Faculty Liaisons** Specific faculty members may be requested and meet separately
4. **Institution Staff** Such as Registrar, Admissions, etc.
5. **CE Program Instructors** High School Teachers (for CEP only)
6. **College-Provided Faculty** College Faculty (for CPF only)
7. **Secondary Partners** Superintendents, Principals, School Counselors, Liaisons, etc.
8. **Students** Participating in CE or College-Provided Faculty program(s)

IMPORTANT:

- Each meeting should include only the relevant stakeholder group without the presence of program staff or other individuals. This ensures candid and open discussions.
- Peer Review Teams can specifically request to meet with certain faculty members, departments, or other stakeholders based on the information and evidence provided in the accreditation application.
- The Peer Review Team will provide the specific list of questions and request to meet with specific stakeholders (if applicable), to the applicant at least two weeks prior to the site visit date(s).

For additional details, refer to *PLAN & HOST A VIRTUAL SITE VISIT* on the *Application Process & Resources* webpage.

FREQUENTLY ASKED QUESTIONS:

What is the purpose of the virtual site visit?

- Interviews are opportunities for the Peer Review Team to have personal interaction with the program stakeholders.
- They offer an opportunity to ask clarifying questions about specific standards of concern, in context to program operations, policies and procedures.
- It's a time to verify the documentation that was reviewed, answer questions, and clarify documentation that was confusing and/or ambiguous.
- Are an opportunity to learn how documentation is implemented or operationalized in order to gain insight into the program.

What technology software is used for virtual site visits?

- The applicant is responsible for selecting the video conferencing software to host the virtual site visit, ensuring it is readily available on their campus. They must prepare meeting links for each group involved.
- During the planning phase, the applicant should confirm that the chosen video conferencing

software is compatible with all Peer Review Team members to ensure a smooth and effective virtual site visit.

- It is crucial to note that, according to NACEP Accreditation Commission policy, there is absolutely **NO RECORDING** of the site visit meetings.

EXAMPLES OF QUESTIONS FOR STAKEHOLDERS:

Concurrent Enrollment/College Provided Faculty Program Staff:

1. **Concerns about Sustainability**: Does your program staff have any concerns about the sustainability of the program?
2. **Challenges**: What are the challenges faced by your program?
3. **Strengths and Areas for Improvement**: What are the strengths of your program, and what are some areas of improvement?
4. **Achievements**: What achievements would you like to highlight?
5. **Additional Information**: What do you want us to know about the CEP/CFP program that we didn't ask about?
6. **Student Advising**: How are students advised about the benefits and implications of taking concurrent enrollment courses, and the college's policies?
7. **Additional Information**: What do you want us to know about the concurrent enrollment program that we did not ask about?

Institution Leadership:

1. **Institutional Priorities**: What are the concurrent enrollment priorities for your institution?
2. **Strategic Alignment**: How does the concurrent enrollment program align with the institutional strategic goals?
3. **Support and Oversight**: How does your team provide support, guidance, and oversight for the concurrent enrollment program?
4. **Academic Department Involvement**: How are academic departments involved in the decision-making process for the concurrent enrollment program?
5. **Additional Information**: What do you want us to know about the concurrent enrollment program that we didn't ask about?

Faculty Liaisons:

1. **Experience**: How long have you served as a Faculty Liaison for the concurrent enrollment program? For CEP liaisons, how many high school instructors do you manage?
2. **Program Value**: In your opinion, what value does the concurrent enrollment program bring to your institution?
3. **Professional Development Role**: What is your role in planning and facilitating annual discipline-specific professional development?
4. **Grading Standards**: How do you ensure students are being held to the same grading standards as those on-campus?
5. **Additional Information**: What do you want us to know about the concurrent enrollment program that we didn't ask about?

Concurrent Enrollment Teachers/College Provided Faculty:

1. **Teaching Experience**: How long have you served as a concurrent enrollment instructor? What courses do you teach?
2. **Support and Interaction**: Describe the support and interaction you receive from the concurrent enrollment staff and your faculty liaison.
3. **Professional Development Experience**: Did you attend professional development? How does professional development strengthen your practice? What additional resources might you need that the professional development did not provide? How might professional development be improved in the future?
4. **Program Impact**: How has the concurrent enrollment program impacted your school, teachers, students, and/or parents?
5. **Additional Support**: What other ways could the institution further support you, your students, and your school?
6. **Additional Information**: What do you want us to know about the concurrent enrollment program that we didn't ask about?

Secondary Partners:

1. **Partnership Duration**: How long has your program offered concurrent enrollment courses in partnership with the institution?
2. **Partnership Agreement**: Is there a formal school partnership agreement outlining your partnership with the institution? If not, please discuss how roles, responsibilities, and expectations are shared.
3. **Communication**: Discuss how the institution and concurrent enrollment program communicates with your administrators, counselors, teachers, students, and parents.
4. **Institutional Support**: Describe how the institution supports your concurrent enrollment programming.
5. **Professional Development for Administrators and Counselors**: Did your administrators or counselors attend any professional development, training, or orientations offered by the concurrent enrollment program?
6. **Student Advising**: How are students advised about the benefits and implications of taking concurrent enrollment courses and the institution's policies?
7. **Additional Information**: What do you want us to know about the concurrent enrollment program that we didn't ask about?

Students - Concurrent Enrollment/College Provided Faculty:

1. **Advising and Policies**: How were you advised about the benefits and implications of taking concurrent enrollment courses? And college policies?
2. **Resources and Support Services**: What campus student learning resources and student support services are available to you?
3. **Enrollment Process**: How were you informed about the processes and procedures to enroll in courses?
4. **Course Impact**: Did you take general education, elective, or Career Technical Education courses? How have these courses impacted your post-secondary plans?
5. **Course Advising**: Describe how you were advised about the courses you selected. Who advised you about your concurrent enrollment courses? Did you feel adequately prepared to

select your courses?
