NACEP

About Us

The National Alliance of Concurrent Enrollment Partnerships (NACEP) works to ensure that college courses offered by high school teachers are as rigorous as courses offered on the sponsoring college campus. As the sole accrediting body for concurrent enrollment partnerships, NACEP helps these programs adhere to the highest standards so students experience a seamless transition to college and teachers benefit from meaningful, ongoing professional development. To advance the field and support our national network of members, we actively share the latest knowledge about best practices, research, and advocacy. Our annual conference is the premier destination for college officials, high school leaders, policymakers, and researchers interested in creating an effective academic bridge between high school and college.

VISION

NACEP works towards a future where **all secondary students** will **have equitable access** to quality college courses to support their postsecondary goals.

MISSION

NACEP works towards our vision by **advancing a national community** to **foster equity** in dual and concurrent enrollment through **accreditation, advocacy, research, and professional development**.

VALUES

In pursuit of our mission, NACEP will not compromise our focus on access, community, education, equity, and excellence.
